Circle of Care

Heritage Keepers completes the 'Circle of Care' provided to seniors by family, friends, the community and the church when these people are unable to provide the care needed. We provide short-term or long-term services on either a part-time or full-time basis, as well as live-in services.

Each Caregiver has been trained in personal care and has a personal testimony of faith in Jesus Christ and demonstrates a life committed to Christian values. We believe that to fully complete the 'Circle of Care,' there are times when spiritual encouragement is necessary.

You can feel safe and secure with our Caregivers as each Caregiver has been screened through criminal, drug, and credit background checks as well as their driving history. They are bonded, insured with liability and worker's compensation, and each Caregiver receives ongoing training. Heritage Keepers is also licensed by the State of Texas Department of Aging and Disability Services.

Call us today or visit our website for a **FREE** assessment and find out how we can complete YOUR 'Circle of Care'!
